# Subject Index

*The following Index is a guide to the **major** subjects of the three reels and is usually limited to one reference and, sometimes, one cross-reference for each report. The Roman numeral refers to the reel, and the Arabic numeral refers to the frame number at which a particular study begins. Hence, III: 0934 directs the researcher to the study which begins at Frame 0934 of Reel III. By referring to the Reel Index which comprises the initial section of this Guide, the researcher can find the main entry for this study.*
